ON THE OCCASION OF SAINT BERNADETTE'S VISIT:

LOURDES-DAYS IN DEUTSCHORDEN

16. bis 18.11.2026

Dear brothers and sisters,

in 1858, the Blessed Virgin Mary appeared to Bernadette Soubirous, then aged fourteen, in Lourdes, which has since become a place of hope for the sick and the suffering.
To enable even those who are unable to travel there to experience Lourdes, the sanctuary has, for several years now, been sending relics of St Bernadette. One such relic will be on display at Deutschorden from 16 to 18 November.

You are warmly invited to the Lourdes-Days at Deutschorden!
